East Anglian Air Ambulance

On average the EAAA are called to four incidents a day, life threatening situations such as road traffic accidents, cardiac arrests and incidents in inaccessible places. Because of the advanced skills, drugs and equipment found on board, and being able to access places impossible for a land ambulance, the EAAA can make all the difference.

Make a Will with Woodfines and support the East Anglian Air Ambulance Service in Bedfordshire.

How it works:

- When instructing us to make you a new Will please remember to quote 'WCW', and complete the information sheet opposite.
- We will then complete the Will as normal except the fee will be reduced by 10%.
- One of our team will then seek your approval to donate the 10% saving to the East Anglian Air Ambulance Service in Bedfordshire (unless of course you leave the East Anglian Air Ambulance Service in Bedfordshire either a sum of money or a share of your estate in your Will).
- Unlike many charity Will schemes there is no minimum age requirement (other than the general legal requirement that you must be over 18 to make a Will).
- This scheme is purely optional and you do not have to pay anything to the East Anglian Air Ambulance Service in Bedfordshire by way of a donation now or as a gift in your Will after your death if you do not wish to do so.
