The following are the terms and conditions of the *East Anglian Air Ambulance (Trading) Limited* (EAAA), *Match Bingo* (MB) game, provided by *RTSB Limited* (RTSB) and recognised by the Gambling Commission as a Simple Lottery.

By completing the player application form, you agree that you have read and understood these terms and that they will apply to and govern your participation in the game. If you do not agree with any of the terms and conditions, you should not accept them, in which case you will not be eligible to participate in the game.

1. Game Format

- 1.1. *Match Bingo* is a random draw based on events occurring in UK Premier League football matches. The game is available to players in the run-up to the start of every Premier League match played before the end of the trial period via electronic bingo cards, delivered to the player's designated mobile device via RTSB's MB app.
- 1.2. Each card costs £1 and pertains to one match only. Cards can be purchased through the MB app prior to kick off, from credit previously established by the player in their MB accounts. Each card has a 3 x 5 grid of randomly selected events.
- 1.3. The game works from a real time feed of the events occurring in a match, provided to RTSB by *Opta Statistics*, an independent sports data company. The events shown in the card will be registered as occurring shortly after the data feed from *Opta* for that event is received by RTSB. If the player completes a horizontal line of 5 events reported by *Opta*, or two horizontal lines of five events, or a full house (3 horizontal lines of five events), they may be eligible for a prize (see Prize section below).
- 1.4. Winners will be automatically notified via the MB app and paid via BACS within 8 working days, there is no need for the player to claim a win.

2. Rules for play

- 2.1. The game is only open to persons aged 18 years or over. Players setting up accounts to play *Match Bingo* must confirm that they are 18 years of age or over. EAAA may use the services of an outside agency to provide evidence that players are of the required age, disclosing your information to the outside agency for the sole purpose of getting such evidence. It is an offence for persons under the age of 16 to attempt to join the game.
- 2.2. All prizes are set at specified levels and there are no alternatives. The prizes per match are:

Fastest Full House	£50
Fastest two lines	£20
Fastest single line	£10

where Fastest refers to the first completion on any card bought by any player of the match in question.

- a. In addition, the player with the fastest full house over all matches played during the trial period will receive an extra £3,450, making the prize for their Full House £3,500 in total.

- b. EAAA reserve the right to change the prize structure as it sees fit. The applicable prize structure for any card will be that shown on the MB app at the time the match related to the card kicks off. A player no longer wishing to take part after a change in prize structure can withdraw all outstanding monies from their MB account.
- 2.3. Players are limited to a maximum of 10 plays per match week, up to a maximum of £120 over the period of the trial. Players may not request to have specific events included on the cards they buy; the events will be distributed randomly.
- 2.4. A player wins by completing events on their cards in the patterns described in the Prize structure above before any other player. An event will only be deemed to have occurred if the *Opta* data feed records it as having occurred. If the *Opta* feed recognises an event as occurring, and a player's card with that event is stamped, the stamp will endure even if *Opta* later rescinds its decision. If a match is abandoned after cards for the match have been sold, players' wallets will be refunded. RTSB's decision as to which player completes a winning pattern first will be final.
- 2.5. The winners will be published on the website – www.eaaa.org.uk.
- 2.6. It is the player's responsibility to keep EAAA notified of any change of address details. All winnings will be sent to the account used by the player to purchase their cards.
- 2.7. All proceeds, after the deduction of prizes and fees due to RTSB shall be deemed as a donation to EAAA.
- 2.8. All advanced payments for cards received from a player are held in a separate account by EAAA. A player will be able to purchase cards after a payment has been made, the player has downloaded the MB App, and RTSB has created an account for the player. This process may take up to 5 working days.
- 2.9. No payments will be accepted by Credit Card, in line with Gambling Commission guidelines.
- 2.10. Any application for entry into the game may be rejected for any reason at the discretion of the Responsible Persons, C. Causton and C. McGeown.
- 2.11. Winners' initials and locations (not their full names) will be published on the EAAA website.
- 2.12. EAAA is not responsible in any way whatsoever for delays in payments being received.
- 2.13. Any electronic bingo card may be terminated at the discretion of EAAA or RTSB with any unused monies refunded.
- 2.14. EAAA reserves the right to reclaim any prizes issued in error.
- 2.15. Any monies in players' accounts where no card purchases or requests for funds to be returned occur for a period of six months, will be deemed, and applied as if they were, donations to EAAA.
- 2.16. EAAA will provide any player with a full history of their participation in the game, including complete payment and winnings history, upon request.
- 2.17. EAAA may change the rules of the game at any time and at their discretion. Customers will be notified of any changes to the rules on the www.eaaa.org.uk website before they come into effect.
- 2.18. The EAAA lottery is licenced by with the Gambling Commission under certificate number 3319.

3. Cancellation and refunds

- 3.1. Players of the game can request a refund of their monies and close their accounts at any time. Please inform EAAA by ringing 03450 669 999, by email to info@eaaa.org.uk, or by writing to: East Anglian Air Ambulance Lottery, Hangar E, Gambling Close, Norwich Airport, Norwich, NR6 6EG
- 3.2. If EAAA or RTSB is notified of a player's death, any refund requested from unused monies will only be payable to the deceased player's estate. If a refund is not requested, any unused portion of the subscription will be donated to the EAAA.

4. Customer funds – segregation and disclosure

Payments received into player accounts are accounted for and reconciled monthly with the bank and the game software. We qualify for the basic customer fund rating with regards to holding funds received in advance. The funds are kept in a bank account held by EAAA, thus separate from the trading subsidiary and these are shown as a creditor and corresponding debtor on the management accounts. Trustees have deemed this account as separate and the funds are not included in the working capital of the charity. No credit is granted to individual players. A player can only purchase cards if they have sufficient funds in their account.

5. Liability

EAAA cannot accept liability for loss/theft or delays for:

- 5.1. Any payments/forms/communications sent by post or email or for any delay in payments through the banking system
- 5.2. Any event beyond the reasonable control of EAAA

6. Data protection

EAAA will never sell or share your information with any other organisation for marketing purposes. Data that is collected from you is used solely by EAAA to process the playing of the game, to inform you if you have a prize or to send news updates and promotions of the Charity according to your preferences.
